Call for organizers of 2026 events

UniDive is going to organize its **2nd training school** and **4th general meeting** in 2026 under the following circumstances.

For the training school and a WG4 meeting:

- preferred dates: **January-March 2026**
- duration: 5-6 days, including 1 day for the WG4 meeting
- attendance: about 50 trainees and 5 trainers
- rooms: a lecture room for all participants, a smaller conference room or lab room for parallel sessions

For the general meeting:

- preferred dates: **late August-early September 2026**
- duration: 2 days
- attendance: 80-120 participants
- necessary rooms: one big room (for plenary/WG sessions), and 1-2 smaller rooms (for parallel WG and task sessions),
- equipment: beamers, panels for about 20 posters

Proposals from Inclusiveness Target Countries (see the ITC list) are particularly encouraged. Non-ITC proposals will also be considered.

UniDive will support the selected local organizers with Local Organizer Support of 8,500-10,000 EUR, based on the number of participants and real expenditure. The eligible and non-eligible expenses are listed in p. 90-94 of the COST guidelines.

Potential local organizers of any of these events are requested to send their applications to the UniDive Extended Core Group unidive-ext-core@lisn.upsaclay.fr. The applications should describe:

- the proposed dates,
- the location and the available meeting rooms,

- the access by public transport,
- an estimation of hotel room prices.

Important dates:

- ~~7 February 2025~~ **extended to 7 March 2025**: proposals from local organizers
- ~~17 February 2025~~ extended to 17 March 2025: notification
